Dear Mr. Park:

As per our telephone conversation I am requesting a review by the national office in reference to the suspending of my registration with the BSA. Since I was never contacted by the regional review committee to ask me any questions concerning my file, I feel there are some things you should know.

1. I was reviewed originally in 1982 by my local council, I was put on probation for two years. At the end of the two years the review committee met by telephone and released me of my probation, I do not think any final report was put into the file, as I never received a copy for my files.
2. I also understand that a letter is in my file about Jim Savard of Grants Pass, Oregon. Having known him by working on BSA conferences I sent a character letter on his behalf stating that I knew of no misdoings by him. I understand his registration was suspended for reasons unbeknown to me. Now mine is being questioned. This seems to be guilty by association, and should not be reason for suspending registration.

My record has been clean, and I have served the probation set by my local council without a problem.

If you have any questions PLEASE check with the following people.

Mr. Ron Walsh Scout Executive for Silverado Council (staff advisor for the review committee) 707-257-0277

Mr. Tom Klitgard V.P. General Consul Tandum Computers (he was head of review committee) 408-865-4600

Mr. Richard Pohli Invest In America (member of committee) 415-781-3282

Thank You in advance for a quick and speedy review of this situation.

Dear Mr. Stamos:

I am seeking a review of the decision to have my registration in Boy Scouts of America suspended. I am hereby requesting the council board to be convened as soon as possible to deal with this matter.

Since (April '82) sanctions were adhered to and probation ended July of 1984, I have held various leadership positions --unit, district, regional and national levels-- in a conscientious and exemplary manner. Therefore, I feel my dismissal from the Scouting program is an inappropriate action.

I have served the Boy Scouts of America for the past eighteen (18) years. I wish to have this matter attended to as soon as conveniently possible so that I may get on with my Scouting, professional and most importantly, my personal life.

I am also requesting, formally, a copy of the memorandum which summarizes the discussion at the final review of my probation-- which was to be sent to me at the time. Please ask Mr. J.C. Klitgaard to send it to me at his earliest convenience.

Sincerely,

Craig A. Markinson

Dear Craig:

After careful review, the National Council has decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

Nick W. Stamos
Scout Executive

SUBJECT: CRAIG MARKINSON

Dear Ken:

We have carefully reviewed the material on Mr. Craig Markinson. This material is periodically reviewed as new information comes to our attention.

At the present time based on the conditions which now exist and the previous actions, we feel that Mr. Markinson's registration should be terminated with the Boy Scouts of America. I hope you will carry through in this matter of termination, since some of his actions in the past certainly were not in keeping with the recommendations of the Boy Scouts of America for leadership roles.

I am enclosing a Confidential Record Sheet, which I would like for you to complete with as much information as you have presently on Mr. Markinson. This will help to identify him should he attempt to register in the future.

A letter should be sent to Mr. Markinson, indicating that his registration is being terminated with the Boy Scouts of America. He, of course, should be offered the option of a review and told how to accomplish this.

If you have any questions concerning this matter please do not hesitate to contact us. Please make certain he is deleted from all registered positions in your council.

Sincerely,

Paul Ernst, Director

Dear Ken:

I recently received material related to Mr. Markinson and have now had time to review this entire file of information. Based on our procedures today I feel that Mr. Markinson should have his registration terminated.

It seems that things which he did and admits to doing, plus things which he was accused of, gives us a strong enough case for refusal of registration anywhere in the country.

Please complete the enclosed Confidential Record Sheet, so that we have all the necessary information for identifying Mr. Markinson. Give us as much information as you have available when completing this file.

A letter should be sent to Mr. Markinson indicating that his registration is being suspended and terminated with the Boys Scouts of America. He, of course, can ask for a review, if he desires.

Please do not hesitate to contact me, if we should discuss this further.

PROBATION REVIEW - CRAIG MARKINSON

On Tuesday, September 13, 1983, a Committee consisting of Messrs. Walsh, Pohli and Klitgaard (chairman) met with Craig Markinson to review the probation established at the meeting on June 28, 1982. The review was held at the office of Tom Klitgaard, 225 Bush Street, Room 2057, San Francisco, and lasted approximately an hour.

1. Procedure:

The Committee heard a report from Mr. Markinson and Mr. Walsh concerning Mr. Markinson's activities in connection with the Boy Scouts during the period June 28, 1982, to date. There were a number of questions asked concerning Mr. Markinson's activities. Mr. Markinson excused himself from the meeting, and the Committee discussed what should be done with the probation. After the discussion, the Committee had a further meeting with Mr. Markinson and informed him of its decision.

2. Decision:

The Committee concluded that the terms of the probation should be continued as is for the second year. The Committee did not find any wrongful conduct by Mr. Markinson during the past year and in addition found that he had complied fully with the terms of his probation. The Committee considered (a) terminating the probation entirely except as to Troop 369 (the Troop from which the complaints arose), or (b) terminating the probation except as to Troop 369 and actions in a primary leadership capacity, leaving Mr. Markinson free to have contacts with members of other Boy Scout Troops in a secondary leadership capacity for the second year of the probation. The Committee also considered completely lifting the probation.

CONF000733

DYKES_I_000723

3. Basis for Decision:

Mr. Walsh informed the Committee that Mr. Markinson's conduct during the past year has been in full compliance with the terms of his probation, and that he has acted in a conscientious manner in carrying out the probation. Mr. Walsh further informed the Committee that there have been two other cases involving misconduct between scouters and scouts, which resulted in resignation or dismissal of the scouter from the scouting program. The Committee was also informed that the individuals connected with the accusations directed at Mr. Markinson are still involved in the scouting program.

The Committee believed that there were no new circumstances of significance which would warrant changing the probation one way or another. The Committee decided that in order to protect the scouting program and Mr. Markinson's interests, the probation should continue in effect for the additional year.

At the end of June, 1984, the Committee will hold further discussions to determine whether the probation has been complied with during the second year, and if there has been compliance the probation will be terminated.

4. Notice to Mr. Markinson:

The Committee informed Mr. Markinson that it would inform him in July 1984 of its conclusions on termination of probation, following discussions next year with Mr. Walsh and other members of the Committee. We advised Mr. Markinson that if in the meantime he had any questions whether particular activities were inside or outside of the terms of the probation, he should contact Ron Walsh.

5. Confidentiality

We also informed Mr. Markinson that the subject matters that were discussed at our meeting, as well as this memorandum, would be treated as confidential by the Boy Scouts with access only being given other persons on a need to know basis. We told Mr. Markinson that we would send him a copy of this memorandum for his files.

MEMORANDUM

June 30, 1982

REVIEW COMMITTEE - CRAIG MARKINSON

On Monday, June 28, 1982, a review committee consisting of Messrs. Ron Walsh, Lee Peake, Dick Pohli, and Tom Klitgaard (chairman) met with Craig Markinson to discuss the charges that had been reported to him in a letter of June 3, 1982, from Ron Walsh. The meeting was held at the offices of Tom Klitgaard, 225 Bush Street, Room 2057, San Francisco, and lasted for approximately an hour and a half.

1. Procedure:

The review committee discussed the charges that had been made and Mr. Markinson's response as set forth in his June 6 letter. The committee then heard from Mr. Markinson concerning the allegations and his admission of showing the pornographic movie to one Scout. We then recessed the proceeding and discussed the evidence and the additional information provided by Mr. Markinson. Finally, the committee informed Mr. Markinson of its determination of this matter.

2. Conclusion and recommendations:

After extensive deliberation, the committee reached the following determination on the allegations that have been made and on Mr. Markinson's own admissions of wrongdoing:

a. The review committee could find no clear evidence of the truth in the charges set forth in paragraphs 1, 3, 4, and 5 of the June 3 letter based upon the evidence available to the committee, and recommends those charges be considered unfounded;

b. The committee found that the showing of a pornographic movie to one Scout, as admitted by Mr. Markinson, was a grievous error in judgment and is unacceptable conduct for a Scoutmaster, whose conduct in all instances should be above reproach;

CONF000736

DYKES_I_000726

c. The committee recommended that the suspension of Mr. Markinson's registration imposed by local council should be withdrawn. However, the committee recommended that Mr. Markinson be put on probation on the following terms and conditions:

i. Mr. Markinson is not to have any contact with members of any Boy Scout troop in a leadership capacity for a period of two years; this probation will be subject to a review after one year. Mr. Markinson will not be prohibited from associating with members of troops in a non-leadership capacity, as where he may be participating in a camporee or some similar event;

ii. Mr. Markinson will be permitted to retain his registration as a Scouter and to participate in activities of the Scouts as a member at large of the Serra District, confining his work to projects involving adults such as adult training, audio-visual work, and planning the various Scout events.

3. Basis for determination:

The decision not to recommend termination of Mr. Markinson's registration in the Boy Scouts was based upon the fact that he has served over 18 years in the Boy Scouts with exemplary conduct and at no time in the past has been charged with any wrongdoing; that he had been a Scout leader of troop 369 for over six years without any previous charge of wrongdoing being made against him; that there was some evidence that the mother of the two boys may have had some antagonism towards Mr. Markinson which may have had some impact upon the boys; and finally on the ground that one of the charges was very old, covering events that allegedly took place more than a year ago.

4. Notice to Mr. Markinson:

The review committee informed Mr. Markinson of its recommendation, and Mr. Markinson said that he would accept the recommendation of the review committee and would abide by the terms of his probation. He said that he did not intend to seek any further review.

We informed Mr. Markinson that the letter of June 3 from Ron Walsh, and the other matters relating to this case, would be treated as confidential by the Boy Scouts, with access only being given to other persons on a need-to-know basis. We told him that if he were to transfer to another council, it might be necessary to disclose this information to the council at the time of the proposed transfer. Finally, we told Mr. Markinson that we would send him a copy of this report for his files.

CONF000738

DYKES_I_000728

June 6, 1982

Mr. Ron Walsh
8480 Enterprise Way
Oakland, Calif. 94621

In response to your letter of June 3, 1982 I am responding to the accusations made toward me as follows;

1. While at Disneyland, I pulled one of the Scouts around the pool by his penis. (dec.1981)
2. While on a trip to Disneyland, I pantsed one of the Scouts. (Dec .1981)
3. While at Royaneh I dragged one of the Scouts around the pool by his penis. (july 1981)
4. While asking a Scout to try on an indian costume, I felt his penis with my hands. (Jan-Mar 1982)
5. I showed one of the Scouts a pornographic movie. (Feb-Mar 1982)

Let me take each of these accusations one at a time.

1. In regard to the aledged accusation made concerning the trip to Disneyland Dec.1981. I took 3 Scouts to Disneyland, all with parental approval. No swimming ocured on the trip at all. The weather was to cold for swimming so we decided to go to Knotts Berry Farm instead.
2. In regard to the second accusation which supposidly took place on the same trip to Disneyland. At no time was anybody pantsed. The subject did come up among the Scouts conversations as a joking matter, but remained just a conversation.
3. The third accusation which supposidly ocured at Camp Royaneh during last years stay at summer camp with the troop, the fact of the matter is that during free swim in which about 100 people adults and scouts were playing in the pool under the staff supervision. There was plenty of grab ass playing in the pool by all. Horseplay like pushing, pulling, kicking, pinching, and grabbing was going on all the time. But at no time did I reach down and pull anybody around the pool by his penis.
4. In regard to the fourth accusation of touching the Scouts penis with my hand, while he was trying on an indian costume is also untrue. While the Scout was over at my apartment for a period of two hours he was working on some advancement for one and a half hours of that time. After the advancement I asked him to try on an indaian costume to which he was going to use at an upcoming camporee. The costume included a breech cloth. I instructed him in how to put it on. He then striped and put it on himself. I again at no time touched the boy as I was half way across the room.

I have a hard time understanding where the above accusations would originate and would challenge their credibility. I am really hurt by the unfounded accusations and find it very difficult to know to answer them, except to say that they are untrue.

5. In regard to the last accusation of showing a pornographic movie, Yes it is true and was a error in judgement. Why ? it was the human error of wanting to be one of the boys. I had rented some movies and they were left by my TV and were found by the scout, and I gave in to his pressure and showed it to him.

cont.

CONF000739

DYKES_I_000729

After careful evaluation the situation would indicate that one error in judgement does not constitute full suspension of registration in the Boy Scouts of America. Any Scoutmaster, Teacher, or Coach who works with children could find himself in this situation through no fault of his own.

I would hope that your evaluation would weigh my many years of service to Scouting, which include: Cubmaster, Scoutmaster, Explorer Advisor, OA advisor, President and advisor the Eagle Scout Assoc. Production of all the Council meetings and activities, as well as some regional meetings. On a National Level I have given service to many Councils around the country, as well as National Jamborees and National Eagle Scout Association and most National Explorer activities.

I have voluntarily resigned from the position of Scoutmaster of Troop 369, I feel that is adequate action for my error in judgement.

~~I would hope that~~ in the clear light of day and taking into consideration all aspects of the case, you will find in my favor in allowing me to retain my registration in the Boy Scouts of America.

Sincerely yours,

Craig Parkinson

CONFIDENTIALSUMMARY OF MEETING WITH MR. CRAIG MARKINSON

Meeting held on Thursday, April 15, 1982, at 5:00 p.m. (P.D.T.) at the San Francisco Bay Area Council's San Francisco Service Center, 12 Geary St., Suite 507.

PRESENT WERE:

- Ronald G. Walsh, Field Director
- Terry F. Trout - Director of Field Service
- Lt. Gen. Stanley R. Larsen, Council Commissioner
- Thomas J. Klitgaard, Attorney at Law & Executive Board Member
- Craig Markinson, Troop 369, Scoutmaster

Mr. Walsh informed Mr. Markinson that the reason he was asked to come in was that there were serious allegations made about his conduct with members of his troop.

General Larsen verbally informed him that we were suspending his registration because the Council had evidence to convince us that his moral life does not meet our standards. General Larsen then handed Mr. Markinson a letter and asked him to read it. After reading it, Mr. Markinson asked what evidence he had. General Larsen responded that the evidence indicated he had shown pornographic movies to Scouts and that he had physically abused Scouts. Mr. Markinson asked who had made the accusations. General Larsen replied that that information was confidential and that if he wished to seek a review of the matter, he was entitled to do so. General Larsen then explained the review procedure to Mr. Markinson.

Mr. Markinson asked who would take over his troop. Mr. Trout replied that the District Executive would work with the Troop Committee to secure a replacement. Mr. Markinson asked about his involvement in Council, Regional, and National activities. Mr. Trout informed him the suspension of his registration was for all Scouting activities of any type at any level.

Mr. Markinson asked what excuse he should give and General Larsen and Mr. Klitgaard stated that he would have to make that decision himself, but suggested that business pressures and personal reasons might be appropriate.

Mr. Walsh then re-stated the review procedure and stated that if Mr. Markinson felt that part of the allegations were untrue, he should immediately seek a review of the matter.

The meeting adjourned at 5:30 p.m.
