Dear Ron:

I am concerned about the long time this file has been in an unfinished condition. We understand he has spent time in jail for child molestation.

I am enclosing another Ineligible Volunteer Record Sheet which I would like to have completed. This information is most necessary for us, so we can refuse registration anywhere it might be attempted.

I would also like to have any other material you might have available with information that would be helpful.

We would appreciate your cooperation in completing this information as soon as possible.

Sincerely,

Dear Ron:

We received information concerning the above named individual that indicated he was registered in your council, but that he had been arrested and in jail for child molestation. We wrote to you in May and have had no response, since that time.

I am enclosing another Confidential Record Sheet which I would like to have completed, so we can identify Mr. Shaver. At the present time, I feel he should be removed from Scouting and not registered with the Boy Scouts of America in anyway.

Please give us more information, so that we may have a complete file and make certain that he does not get involved with us in any other location.

Sincerely,

Paul Ernst, Director  
Registration Service

PERSONAL AND CONFIDENTIAL

SUBJECT: FREMONT SHAVER

Dear Ron:

In early 1988, you received information concerning the above named individual. I was not aware of this situation until recently, but wondered if there was some reason that you had not placed this individual on the confidential file. I would like to hear from you so that we can make some decisions related to this matter. From the information I have received, I do not feel that he should be registered with the Boy Scouts of America.

He is presently registered in your council in Varsity Unit V6710. If all the facts stated are correct, then he should be deleted from this unit, and a letter sent suspending his registration.

I am enclosing a confidential record sheet, which I would like to have completed if you verify that the facts stated are correct.

Please let me know if I may be of any help to you.

Sincerely,

Paul Ernst, Director  
Registration Service

Dear Sir,

I don't know who to contact about  
a problem that has been a worry to  
me recently.

I know of a man who was  
charged with child molestation two  
times. The second time he was  
sentenced to a year in jail. He  
spent 8 months in jail for molesting  
[REDACTED]

He lives in southern Calif now, and  
has bragged, in a letter I read,  
that he has been working with  
the boy scouts. Before going  
to jail he was equally fond of  
boys as well as girls.

In his letter he wrote of a camping  
trip with the boy scouts. I  
shudder when I think of him  
spending the night near any child.  
He lives at Vista Co. I do feel a  
child molester has no right to be

need any children.

Could you tell me who I should  
contact, concerning this molester?

You can probably check him out  
through the police. He must have  
to register as a child molester  
where he lives.

Thank you.
