Dear sir:

After considering all my options discussed in our phone conversation this afternoon, I would like to ask that my request of April 28th be terminated. I will inform Mr. Dinkel of my decision and put the official chartering of the Alpha Pack on hold until the next school year, when the necessary adults can be obtained.

I appreciate your insights and professionalism in this matter.

Regards,

RE: Greg Thomas

I spoke with Greg Thomas by phone yesterday (5/15/89). I told him I did not know specifics of the allegations against him in California but would have to request them before we could conduct a hearing as he had requested.

He wishes to cancel his appeal for a hearing related to our refusal to register him in Scouting. Says he will confirm that in writing. Also says he will attempt to get "a misunderstanding" resolved in Marin County, California.

CONF012343

Dearest [REDACTED]

I am safe and well at home in Central Florida with my mom. The pain and grief I have brought upon myself has been a tremendous hardship for me. Daily, I grieve for my losses with my pack, Camp Tamaracho, soccer, and my many activities that I no longer can participate in. A gloomy picture indeed - yet I remember SNUGGIES, Toby, and Barrington Bunny while sipping a Pepsi and can't resist but to double over with laughter and hope. I have my memories of all the things I grieve for and that is what has kept my sanity and spirits going. I tend to think that is what faith is all about - the realization of God's Grace!

On a more practical note - if there are any questions as to the operation etc. of Superpack 737 please contact me. I wrote an open letter to the pack stating that I could no longer afford to live in Marin (the truth!) and that it was fine for me to be with family (again, the truth!). No one in the pack knows the complete synopsis of the event, I feel that that is how it should be. For the record - at NO time was any Cub Scout or Boy Scout or Explorer Scout or siblings thereof in any danger etc. at Camp ~~or~~ or any Scouting function. Also, I have been in counseling since that day I first told you of what happened. My counselor here has proven to be very helpful because I want to figure out why the hell something like this happened!!

I would like to apologize for any pain I may have caused you or any embarrassment I have caused for Martin Council.

My future is still with the church. I'm planning on taking the ordination exams in February. Have re-connected with old friends whom I have not seen in 6 years or more. Considering undertaking a clinical pastoral education program in Daytona Beach with a family friend who is a chaplain there. Have also thought about missionary work in Northern Ireland - will keep you informed.

I am sure things are going well for you both and if they aren't I'm REAL sure [redacted] won't stand for it for longer than humanly possible.

My address is —

[redacted]
[redacted] Wildwood, FL 32785
[redacted]

I would appreciate it if this was not "Scouter material." I still desire to be the guest speaker at Hackel's retirement dinner.

PEACE BE WITH YOU,

Jreg

SUBJECT: JAMES GREG THOMAS

Information has been received from the Marin Council in California related to the above named individual. This individual was released from a situation in a school in California, the Wade Thomas School, because of a complaint received related to sexual improprieties.

Mr. Thomas also was told to leave the area, by the family he was living with, when some of this information was made known. The family he was residing with had a young son and were concerned about this situation. Mr. Thomas called the council while at the airport, on his way to leaving town, indicating that he had to leave town or face the possibility of getting shot.

A call was also made to the school indicating much the same statement. Greg Thomas admitted that a message got out of hand, and this apparently led to the sexual problem.

Our understanding is that he has been in counseling in Florida and in California also. A counselor apparently told the school that it would be unwise for Greg Thomas to be working with youth. His work at the school consisted of lunch hour duty, as well as four hours in an after school program on the school campus.

We have notified the school in California of the name of the school in Florida, where he is now working. The principal of the Wade Thomas school has indicated that she would call the superintendent of schools in Deland, Florida with information which she had, because of her concern with Greg Thomas' youth work.

Greg Thomas has appealed our letter of suspension from the Central Florida Council. This letter of suspension came after our conversation with Ron Carroll related to the information from the California council.

We feel that this is the information as we now have it in our files. A letter is coming from the Marin council which was written by Greg Thomas to an employee of the council. This letter states that the message got out of hand.

A review will be held in Florida to review the situation, related to the appeal of the registration of Greg Thomas.

A copy of the letter from Greg Thomas is being sent directly to the Central Florida Council by the Marin Council. I am also sending on May 11, a copy of the material which we received from the Marin Council to Ron Carroll of the Central Florida Council.

Dear sir:

I received a registered letter about two weeks ago informing me that my membership in the Boy Scouts of America had been suspended. I figured that the letter was due to the fact I was not currently registered with a specific unit and gave it no further thought.

Shortly after I received the letter, I contacted Ernie Dinkel about forming an In-School Cub Scout Pack with the Alpha program where I work as a counselor. He informed me that the procedure of the registered letter was for those who are unsuited to be a member in BSA because of moral unfitness such as child abuse or chemical dependency. The following week Mr. Dinkel and the Program Director of the Council came out to the Alpha center in Deland to gather the adult applications and talk to our very eager students. Both men informed me to correspond with you as soon as possible to formally ask the Board of Review to reconsider my membership with BSA.

I am currently working for a HRS organization under the direction of The House Next Door and the Volusia County School System with full background and security clearance. I have also been a substitute teacher with Volusia County schools for almost two academic years, again AFTER going through and passing a background check. I have been marginally active in the Halifax District for two years serving the former Troop # 474 and as a merit badge counselor for Troop # 447, again with no problems. I have also served in the summer camping program at YMCA Camp Winona.

I am at a loss for explanation! Please assist me in this matter as I understand that some computer has "spit my name out." I would be more than happy to meet with you, the Committee, and/or the Council Executive in order to re-instate my membership.

Thank you for your prompt attention.

Regards,

Greg Thomas

Dear Mr. Thomas:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations you may have with the Boy Scouts of America. Attached you will find a check in the amount of \$5.00 which represents a refund of your registration.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a Council Review Committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,

Jon Sleik
Council President
