Dear Paul,

I have initiated the attached Confidential Report Sheet because of a phone call that I received from an individual who described Mr. Sparks' activities to me and indicated that Mr. Sparks told him that 20 years ago, he was involved in Scouting in Ogden, Utah, and at that time, was a child molester.

We have no indication that Mr. Sparks has ever been involved in Scouting in Sacramento; however, based on his record and possible previous involvement, we would encourage your placing him in Confidential File.

I would be happy to discuss this case with you over the telephone, should you require further information.

Sincerely,

Robert J. Mazzuca
Scout Executive
